

Year 3 enjoyed an 'RE day' where they shared their knowledge about the Islamic faith with Year 4, who taught them about the Sikh faith. We were also fortunate to have two members of staff share their faiths with us and tell us about their faith including festivals they celebrate and clothing worn at particular times of the year. The theme of the day was 'respect' and all the children showed great respect when learning about the different faiths and with the different visitors.

Here are Mr Emke and Ms Irani visiting Class 3X.
