

We have been very busy these last two weeks preparing for sports day in our PE lessons. We have been practising how to move around a carousel of activities and learning how to skip, hula hoop and walk using big feet! We have also been learning how to play cricket, which has been lots of fun.

In literacy we have been reading stories from the lighthouse keepers' collection including the lighthouse keepers lunch, the lighthouse keepers picnic and the light house keepers cat. We created and wrote about our own lunches and discussed healthy and unhealthy foods.

In maths we have been learning how to count in groups of 2's, 5's and 10's using objects

We have also learnt how to collect and present data using tally charts, pictograms and venn diagrams. We created a class tally chart and a class pictogram.

Shirts		6
Trousers		8
Shoes		2
Skirts		13

As we have been reading stories about a lighthouse keeper, we have been looking at different sources of light and also completed our own circuits.
