

# RE Day

Tuesday 27th of June we celebrated RE Day throughout the school.

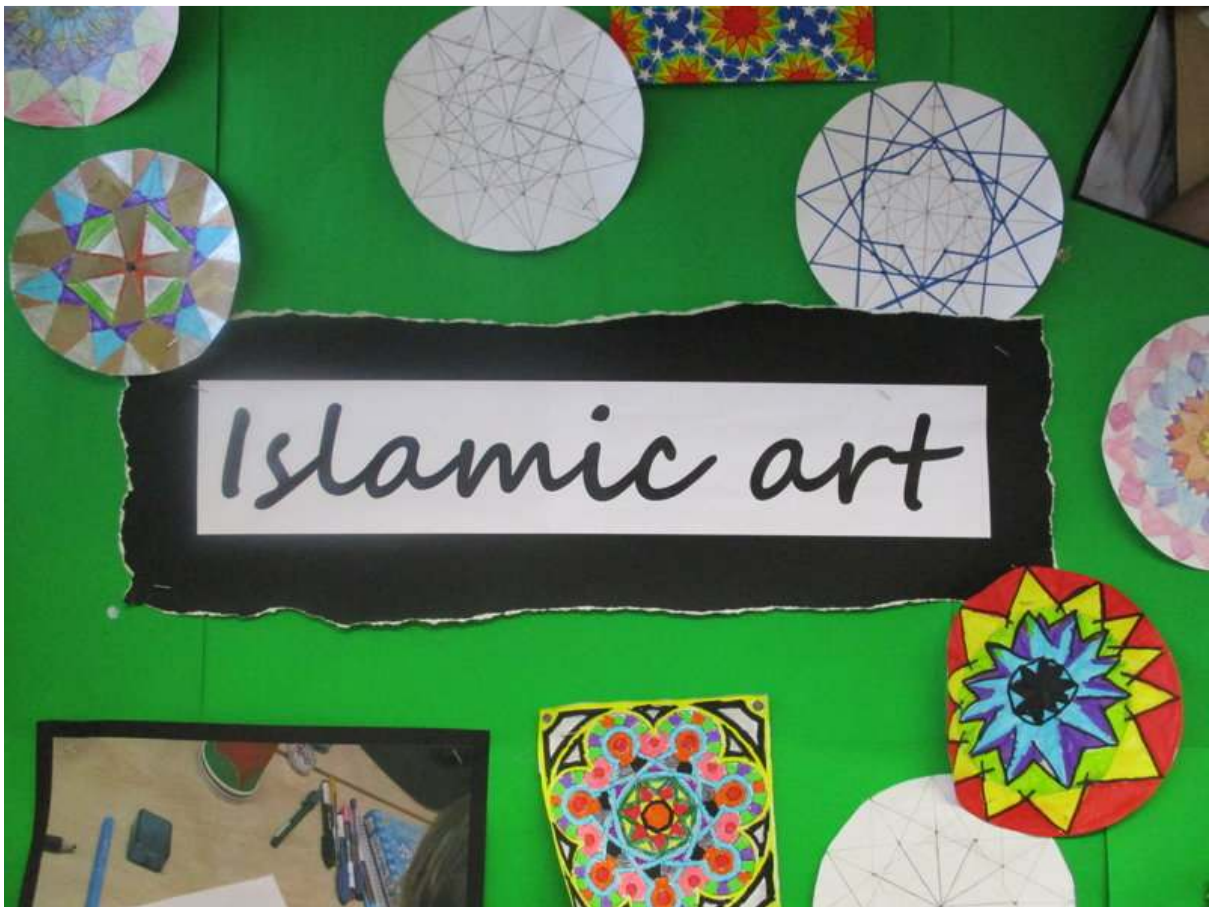

We studied Judaism, Islam, Christianity, Sikhism, Buddhism and Hinduism with each year group conducting research and taking part in activities inspired by their appointed faith.

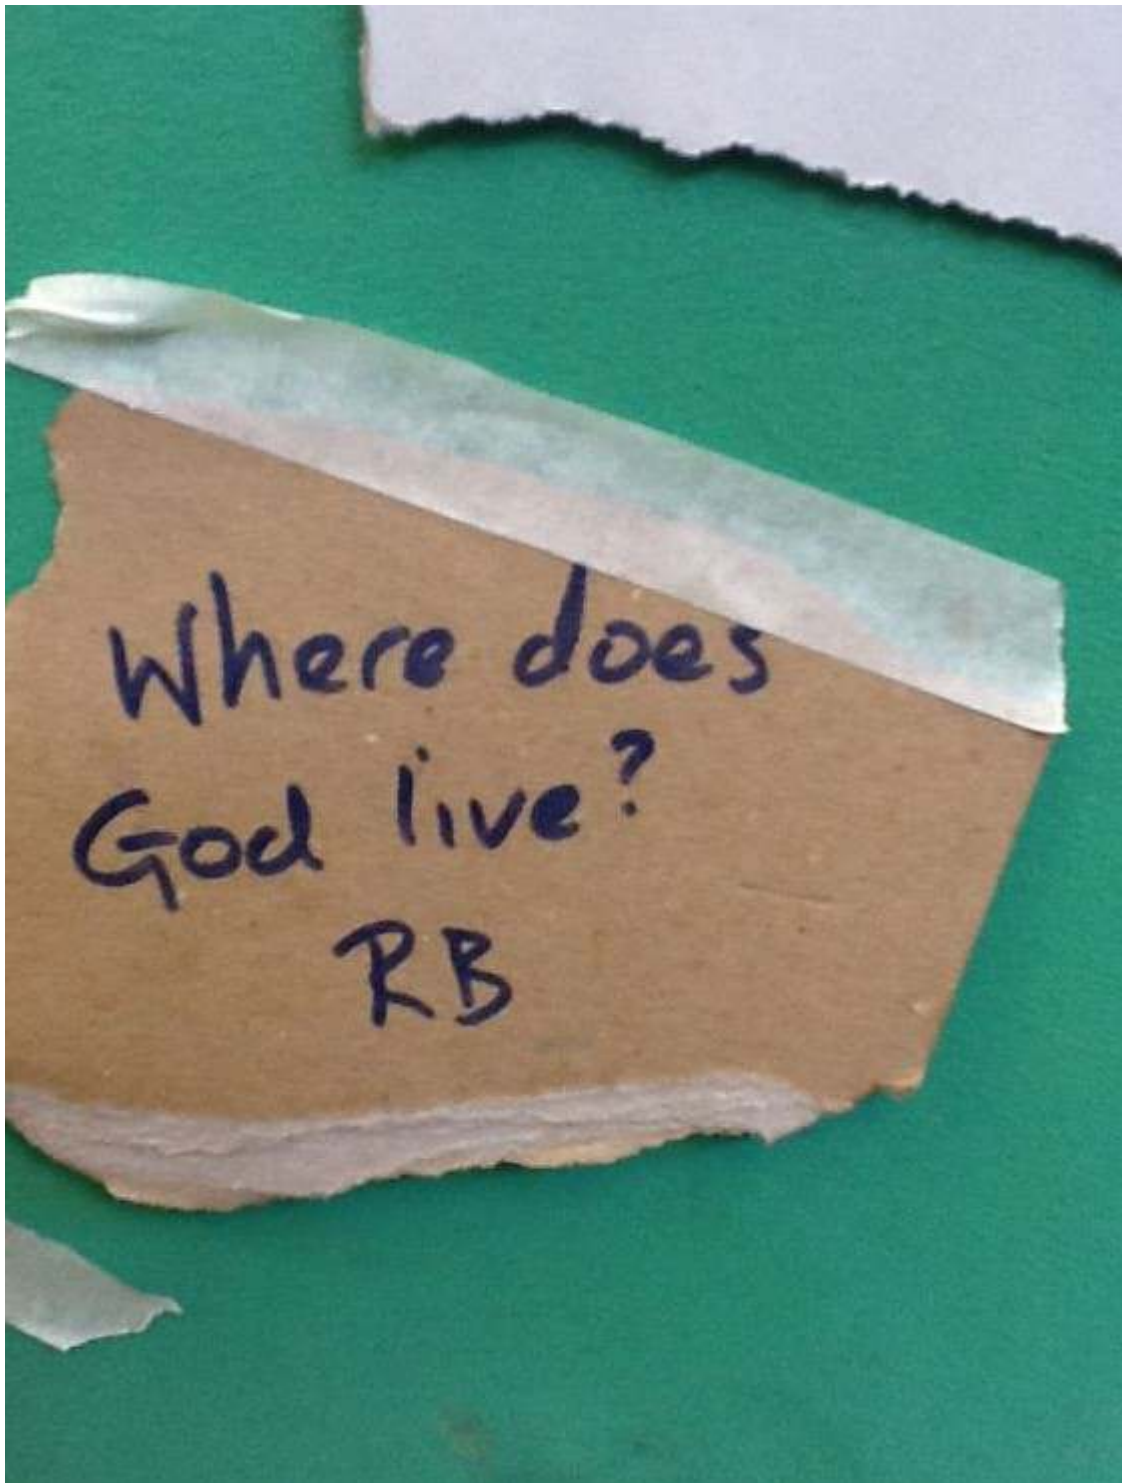

The theme was 'Respect' and we all focussed on how these religions are built around respect and care for others. We discussed emotions a lot today also and how there are no good feelings or bad feelings, there are just feelings and it is correct to feel many different emotions. We did many respect based games and activities and some research into our appointed religions.

We discussed a wide variety of religions and how we show respect for each other celebrating different faiths. We had lots of fun meeting visitors and also children from other classes to talk and share knowledge.

Have a look at some of the pictures from the day!

Where does  
God live?
