

What a busy week Year 5 have had: African drumming concert, 5C's Class assembly and a wonderful visit from children's novelist, rapper, poet, and author, Michael Rosen.

All of the children have been participating in weekly African drumming sessions which led to our concert to parents and children. A great time was had by all. Even some of the parents joined in with the energetic dance routines.

As part of the visit from Michael Rosen, Year 5 listened to and reviewed his poetry. The children in 5SB performed a selection of his poems, including The Michael Rosen Rap, Don't and Strict.

5C enjoyed participating in their class assembly all about World Cup 2018. We really hope 'football's coming home!'
