

A warm welcome to Firs Farm Primary School. I am very privileged to be the Head Teacher of such a vibrant and successful school. We are large inclusive community and our school is built on the belief that all children have the right to reach their potential and the right to an excellent education. The Staff at Firs Farm work tirelessly to ensure that belief is turned into a reality.

We have an established House system that all children engage with and are a Unicef Rights Respecting School. Our parents are part of the life of the school and our PTA organises a range of events from Pamper Nights to Summer Fayres.

Our school is fortunate to be sited beside the Firs Farm Wetlands and have its own extensive grounds. On this website you will find more details on our curriculum, school life and statutory information such as KS2 SATs as well as our school policies.

If you would like to come and visit please make an appointment at our school office (either in person or by contacting us on office@firsfarm.enfield.sch.uk). If you have any questions that the website cannot answer then please email office@firsfarm.enfield.sch.uk
